

Character Education/PSHE

Reflection
Children to be given the opportunity to consider how their thoughts and feelings may have had an impact on an outcome and how they may be able to put this reflection into practice in future.

Religious Education

Judaism
To talk about how the Torah and Tenakh (Jewish Bible) is special to Jewish people.
To recognise a Mezuzah and know where it is kept in a Jewish home.

Physical Education

Dance
To master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities

Computing

E-Safety
To use technology safely and respectfully, keeping personal information private; identifying where to go for help and support when they have concerns about material on the internet or other online technologies

Music

Music Express

We will be using our voices expressively and creatively by singing songs and speaking chants and rhymes

Maths

Measuring

We are learning to measure objects using non-standard units of measurements (cubes), to estimate and compare lengths.

We are learning to find a difference in height/length.

We are learning to use a systematic way of recording results.

English

The Greatest Showman Play scripts

We will be learning to participate in discussions, presentations, performances, roleplay/improvisations and debates

Writing play scripts and identifying key features

Geography/ History

Pangaea

We are looking at how the earth's continents are constantly moving

Art & Design Technology

Sewing- A simple running stitch

To use a range of materials creatively to design and make products

Science

Natural Disasters

We will observe changes across the 4 seasons

To observe and describe weather associated with the seasons and how day length varies
