Dear Parents/Carers,

20<sup>th</sup> September 2019

Zoolab, a company that brings in animals to schools, is coming to Crest on Monday 30<sup>th</sup> September 2019 as we have been fortunate to benefit from a cancellation by another school. We are very excited!

The Zoolab team will bring a variety of different creatures and the children can handle them if they want to. It's an amazing experience for them as well as being taught many facts about animals, they will learn how to care for them.

We have booked the 'All about me' workshop which links nicely with our 'Marvellous Me' theme for this term and you can find out more about this on the link below.

To cover this unexpected (but amazing) opportunity, we are asking for a voluntary contribution of £1 per child with the school meeting the remainder of the cost.

You will be notified when the payment for this goes live via Parentmail.

If your child has any allergies, please let the class teacher know and we will work around this.

Thank you for your support.

With kind regards,

Jane Shields  
Headteacher
