

Character Education

Children are born ready, able and eager to learn. They actively reach out to interact with other people and the world around them. Development is not an automatic process, however, it depends on each unique child having opportunities to interact in positive relationships and enabling environments. Together with my teachers I will be able to learn and explore the best way for me to learn. Watch me grow.

Maths

I am learning to use number names to ten in a familiar context. Count reliably to 10 and beyond. Also find one more/less than a number up to 10.

I am learning to investigate and describe shapes in our environment.

Having these skills will make me grow as a mathematician. It is great fun sharing our learning with our teachers.

Understanding the World

I am learning about different cultures and how they celebrate.
I am developing my skills to talk about past and present events in my life.
So many things to share and explore such fun!

Being imaginative

Create simple representations of events, people and objects.

Technology

In computing I will be learning to use computers both inside and outside of school. Also I am learning to use a program to create a picture.

Physical Education

Fine Motor
I will be trying my best with the tricky fingers challenges, this will help me with my writing.

Gross Motor
I am learning to explore physical activities linked to topic, e.g.: painting, mark making, play dough, construction. I will be strengthening these skills on a larger scale whilst having fun during Forest School

Literacy

I am learning to use my phonic knowledge to write CVC words and form our names

I am using my phonic knowledge to develop my reading by recognising phonemes and decode simple CVC words. Also to talk about what we have read.

I am learning to share and understand about non-fiction books and texts. Having these skills will strengthen my independent reading and writing.

Term 2

Fantastic Festivals

Personal, Social, Emotional development

I am continuing to strengthen my skills in taking turns and sharing with my class friends.

I am learning to develop my knowledge of how to keep safe and happy while at school, by learning and following our golden rules.

These skills help me during my school day. It also helps us all to be happy learners.

Exploring media & materials

I am learning to perform new songs linked with our Nativity performance.

As our topic is festivals and celebrations we will be looking at art in others cultures.

Communication & Language

During our topic we will have the opportunity to share our own experiences of the different celebrations we experience across our cultures. Also I will have ample opportunity to talk about our time at home during the holidays. These opportunities will help me to listen and respond to ideas expressed by others, taking turns in conversations and asking questions.
