The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school		Maintain the daily mile to get all pupils undertaking at least 15 minutes of additional activity per day.		£0 LSA's to encourage daily at lunchtimes.		Children are showing greater levels of fitness and resilience.		To be completed at least 3 times per week for recommended 15 minutes.	
		Lunchtime clubs run by MFSE available to all.		Part of MFSE membership. (£1710.00)		Behaviour at lunchtime continues to improve as activities and resources are made available. This should also impact attainment in PE as sessions are structured and move learning on from PE lessons.		Encourage more and more children to be involved in club. Work with MFSE to ensure resources are good and that sessions are able to run effectively.	
		All year groups to visit the forest school weekly with a trained forest school leader.		£1,000 forest school training Plus £300 travel to training		Children enjoy the sessions and are becoming more aware of their natural environment and how to manage risk and physical activity efficiently. Regular sessions in the outdoor space will inevitably improve physical and mental health in children.		Continue to monitor plans and ensure that all children are able to access the forest school each week. This year Year 2 children will benefit from weekly sessions.	
		Year 1 to develop their outdoor learning provision		£3,788.47				Once the canopy has been fitted. LJ to support in setting	

				up the area to allow all children to spend more time outside allowing for learning that is more physical.
