

Homework - Term 1 - Marvellous Me!

We are so excited that you are now in Year 1 and can share your learning from home. We love to get your PIP books in and share what you have achieved. Complete **at least one** activity from each column and record this in your PIP book. We would like to see your child's learning evidenced in whatever way suits the activity. We also love sharing videos and photos that you can send to the email address year1@crestinf.medway.sch.uk. Please return all your fabulous learning by **Friday 10th October** so that we have time to share it in class and your learning could feature in the parents' assembly.

English	Maths	Physical	Science	Creative
Can you write your full name in a range of different materials and interesting places?	Write a shopping list and find out how much each item costs.	How many star jumps can you do in 1 minute?	Draw around a member of your family and label their body parts.	Create a picture of you and your family using your own choice of media.
Practise the tricky words we have learnt so far. How many can you spell already?	Can you say and write all the numbers you see on the way to school.	Show me 5 different balances. Can you take photos of your different shapes?	Close your eyes! What is around you and how do you know?	Research Wassily Kandinsky the artist. What did he paint? Can you make a work of art in his style?
Pop 'me' in the middle of a mind map and write all the things you want me to know about you.	What time do you have breakfast, lunch and dinner? Can you draw the clocks?	Write the days of the week on the pavement with chalk. Jump to each one and say it aloud.	Cover your ears! What is around you and how do you know?	Build your house with a media of your choice e.g. Lego, playdough or junk modelling.
Draw a map of our local environment and label what we have in it.	Can you write all of the ways you can make 10 by adding 2 numbers together. (number bonds to 10)	Go on a 'bug hunt', what can you find in our local environment?	Use your sense of taste to try at least 5 foods that you have not tasted before. Did you like them?	Make a musical instrument from resources at home.
List the books you have enjoyed reading. Bring one in to share in class.	Can you write the numbers and names from 0-20? E.G. 1 - one	Play 'Simon says' with your family.	Learn to spell; eyes, ears, mouth, skin and nose.	Create a collage of things you find in the local environment or on a day out.

Character Education

Look at our A STAR principles. Use this term to research and discover what the four words mean. Next, research how to pronounce them and how to use them. You can use dictionaries, computers, ask an adult or friend etc.
