

Character Education

We are learning how to treat people, living things and delicate objects with care and how we can be working together cooperatively. We will explore how to be brave and try new things.

Maths

We will investigate using hundred squares and number lines to consolidate our understanding of numbers to 20. We will develop multiple strategies to solve addition and subtraction problems such as one more and one less. We will consider how to measure using a range of instruments and resources.

Religious Education

We will discuss and understand how we are unique by sharing similarities and differences between others and us.

Also we will explore about belonging to a group or team.

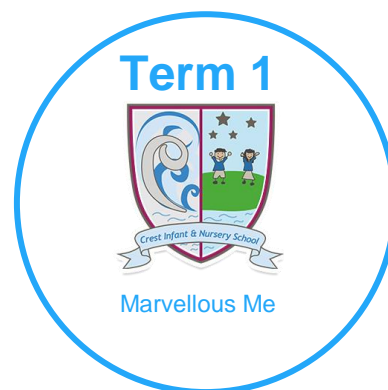

Humanities

To think about our place in the world. Learn, discuss and answer questions about our local area and the United Kingdom. Creating maps of known or imaginary places. Learn about local features.

Our family tree. Creating a timeline of our lives.

Physical Education

We will be learning the following basketball skills: Throwing, catching, bouncing and shooting.

Art & Design Technology

In observational drawing we will create portraits using drawing, painting and sculpture and discuss to develop and share ideas, experiences and imagination. We shall study Wassily Kandinsky and using shape to make art. In DT we will learn technical skills such as levers and sliders and we will look at making structures stronger.

Computing

In computing we shall be exploring technology in our classroom environments focussing on E-safety and learning how to use equipment correctly.

Science

We will study how to name different parts of the body and recognise which organ is used for their five senses. We will then explore how to recognise parts of a skeleton and compare them with other animals.

Music

We will be learning to understand the beat and tempo of different musical pieces and how to change the tempo and beat. Also we shall learn a range of songs to share together.

English

In our English lessons we will learn to embed the use of

- Finger spaces
- Phonics
- Full stops
- Letter formation

when writing in sentences. We will explore different pieces of poetry and focus on stories with a familiar setting.
