Year 1 - Home learning - Term 6 - Jolly Journeys

Please work with your child over the term to complete one activity from each subject heading and evidence this in the PIP book. You are welcome to choose more! We would like to see your child's learning evidenced in whatever way suits the activity you have completed. Please return PIP books with completed homework by **Friday 11**th **July.**

about Amelia Earhart or another famous pilot. What did they do? Why are they famous? Would you like to do something similar in the future? Ask members of your family any key events they remember in their lifetime or from childhood. Create a traditional tale about a new character. What does your character look like? Where do they Image: American and them, read you write them, read them and put them in order? What is greater, 12 or 18? How do you know? Use the symbols < > = to compare numbers. Create a collage with groups of objects that make your teen numbers. Walk to school at least 3 times a diary of the things you notice and see. Climb the best tree you can character look like? Where do they Ask member to 20? Can walk. Time you write them, read walk. Time you see in the house. Make a list of metal things, wooden things and plastic things. Can you talk about why they are made out of different materials? Walk to school at least 3 times a week. Keep a diary of the things you notice and see. Climb the best tree you can find! Walk to school at least 3 times a week. Keep a diary of the them and put them in order? What is on this by running or jogging. Walk to school at least 3 times a week. Term 6 - Gratitude

Saying thank you shows that you have noticed when someone is kind to you like Rocky Raccoon does. Can you surprise a friend or someone special with a gift that lets them know how thankful you are for them? You could make a cake, draw a picture or send a note.
