

Term 6

Jolly Journeys
Year 1

**Religious Education
Humanism**

We will be learning about what humanists believe and what a moral value is.

**Physical Education
Sports day team games**

We will be participating in team games, developing simple tactics for attacking and defending

Computing

To use logical reasoning to predict the behaviour of simple programs

Music

Music Express

We will be using our voices expressively and creatively by singing songs and speaking chants and rhymes

Art

We will be learning about the work of Jackson Pollack and how he created his art. We will be using printing and a variety of materials to make our own.

We will use a range of materials creatively to create 3D models.

Science & DT

We will be looking at different materials and testing their properties.

We will be learning how to join materials in different ways.

History and Geography

We will be looking at changes within living memory and significant people and events through the use of artefacts.

We will be sharing stories about famous people including Amelia Earhart and Neil Armstrong.

Maths

We will be revisiting graphs, measuring and basic number facts.

We will use our different operations to solve a range of problems.

**Character Education
Community awareness**

We will be visiting the community and sharing ideas on how to be like Addison the Alpaca. We will share with our friends how we are helpful outside of school.

**English
Writing:**

We are retelling known stories to each other.

We are creating characters and settings for new stories.

We are using full sentences to write a paragraph that includes capital letters, full stops and finger spaces.
