

Character Education

Community awareness

Through Eco-School projects we will be inspiring ourselves to drive change and improve our environmental awareness

Maths

Time and statistics.

We will be learning to be able to tell the time to o'clock and half past and learn how to record data.

We will also recap halving and doubling.

Religious Education

Judaism

This term we will aim to understand what it means for Jews to belong in Judaism and to understand how their homes may reflect their Faith.

Geography/ History

Continents and dinosaurs.

We will be learning to name and locate the world's seven continents.
We will be learning about dinosaurs; where they came from, what they ate and who discovered them.

Physical Education Handball

Children will continue to develop their ball skills.

Children will also continue to learn to work as part of a team.

Art/DT

We will be learning about how to generate, develop, model and communicate our ideas through talking, drawing, templates, mock-ups. We will be learning about how to create different joins.

We will be learning about the artist Vincent Van Gogh and how to create art inspired by him.

Computing

We will explore how to use technology to program a beebot. Also we will learn about the need for instructions to be clear.

Science

Dinosaurs

We are identifying and naming animals that are carnivores, herbivores and omnivores.

We will be learning how to classify different animals.

Music

Music Express

We will focus on how to listen with concentration and understand a range of high-quality live and recorded music. We are learning about different pitch in music.

English

Fact files

We will be writing fact-files and independently extend our researching to learn more. We will learn how to structure a story. We will also be reading and reciting Dinosaur poetry.
