

Character Education Community awareness

We are talking about how we can make a difference to other people by helping and caring for them. We will talk about how the little things we do can improve our environment. Such as: Picking up litter, planting things, helping a friend or neighbour.

Maths

Position and Direction

To be able to describe position, directions and movements, including wholes, half, quarter and three-quarter turns. We will use this to help us tell the time.

Christianity

We will be learning when it is easy and difficult to show friendship and explore when Jesus may have found it difficult.

Geography/ History

We will use maps, atlases and globes to identify countries around the world. We will also look at seas and oceans around the world and compare similarities' and difference. We are learning about Grace Darling. Who she is and why she is an important person.

Physical Education

We are learning to play football. We will be using ball skills to control the ball including dribbling, passing and shooting.

Art

We will be learning about the work of Andy Warhol and exploring ways to make pop art. We will be using a range of objects to make prints.

Computing

We will learning how to use technology to take photographs. We will learn about what makes a good photograph and E-Safety rules surrounding taking photos of others.

Science & DT

Focus on Global warming and the impact on the Great Barrier Reef. We are looking at plants and how they grow. We will talk about how different things affect their development. In DT we will be making a winding tool.

Music Express

To listen with concentration and understanding to a range of high-quality live and recorded music

English

We are learning to write our own fairy tales, use capital letters and full stops accurately and we are introducing adjectives to our verbal sentences.

Comprehension

We are discussing stories as a class and predicting what could happen. We are also talking about the different feelings our characters have during the story.
