

Character Education

We will be looking to understand kindness in ourselves and others.

We will learn the value of encouragement and understanding how new challenges help us to grow.

We will learn to reflect on ourselves and how we behave.

Religious Education

Christianity and Judaism
We will be learning about Judaism, the festival of Hanukkah, learning about the Synagogue and learning about the festival of Pesach (Passover).

We will learn to recall the Christian story of 'The Nativity'.

Physical Education: Gymnastics.

We will demonstrate different body parts to travel on, use high and low methods of travelling in a sequence to show different shapes with our bodies and show how to use control when balancing and jumping showing different rolls.

Music

Music Express

In music we will be exploring ways of using our voices expressively.

We will also be developing skills of singing while performing actions and creating expressive stories.

Computing

We will be exploring how to create a piece of music on the computer, we will listen to different pieces of music and reflect how this can affect emotions and use this to support our creation.

English

We will discuss different stories and link them to stories the children have read themselves.

We will look at considering and evaluating different viewpoints, attending to and building on the contributions of others.

We will learn to edit by re-reading what has been written and checking it makes sense and learn to leave spaces between words consistently.

Term 2

Fantastic Festivals
Year 2

Maths

We will learn how to multiply and divide two digit numbers using groups or number lines.

We will be identifying 2d and 3d shapes and describing their properties.

We will be learning to tell the time – o'clock, half past, quarter past and quarter to.

History

Guy Fawkes
We will be developing an awareness of the past and understanding how he lived compared with today.

We will find out about how the Gunpowder Plot started and some of the problems the plotters encountered.

We will look at Remembrance Day-learning about events beyond living experience.

Geography

We will be looking at continents and oceans around the world.

Science

Building on our Y1 knowledge, we shall identify and compare a variety of everyday materials and identify what these materials can be used for.

We will investigate how the different materials are best suited to different purposes in our world. We will use the vocabulary: waterproof, absorbent, opaque, transparent and rigid or flexible.

Art & Design Technology

We will be creating calendars and decorations focusing on joining materials and using them creatively to design and make products. Then we will be exploring and evaluating a range of existing products.

We will create Bonfire/Firework art through a range of media.

We will be exploring different printing techniques to create poppy pictures.

We will explore pattern.
