

Homework - Term 4 - Helping Hands

Please work with your child over the term to complete one activity from each subject heading and evidence this in their homework book. You are welcome to choose more! We would like to see your child's learning evidenced in the book, in whatever way suits the activity you have completed, or send in PowerPoints or videos to the class teacher. Please return books with completed homework by **Friday 22nd March 2024.**

English	Maths	Physical	Science	Creative
Read with your child each night	Practise counting in multiples of either 2, 3, 4, 5 or 10	Combine your nature walk for science with a stroll through the woods.	Collect as many different types of materials from around your home and stick small bits into your book- with labels.	Create portraits of family members in pencil, watercolour, paint, pastel or charcoal
Practise spelling the high frequency words for Year 1 and Year 2	Add and subtract two digit numbers using tens and ones or a number line (your child can show you how to do this)	How many times can you skip in a minute? Complete this over the weeks to improve your stamina.	Look at water- in liquid and ice form- How do you freeze water? What happens if you leave it outside?	Create pictures or art work using a range of hot colours (red, orange, crimson, etc)
Practise handwriting	Calculate how much money or change is needed for items up to £1. Extension: try up to £5	Stretch up high, and then touch your toes as many times in one minute.	Check your recycling box- what do you recycle each week from home? Can you do more?	Look at a range of houses. Create a house using a cardboard box or other materials.
Investigate this set of homophones: Their There They're Use each of these correctly in a sentence.	Find and name 3d shapes in the environment; cone, cylinder, cube, cuboid, sphere, pyramid and prism	Walk to school every Wednesday for the whole term.	Think about wasting electricity- draw/write ways in which we can save power!	Create a model of the Titanic or sketch pictures of boats
Look at the list of your spelling words. Use a dictionary, and look up each word. Write the definition (meaning) of the word in your book.	Measure liquids in millilitres/litres and or the weight of objects in grams/kilograms	Balance on one leg for one minute then try the other leg!	Research an animal that is extinct (or nearly). Find out why this happened.	Research music that links to volcanoes.

Character Education -Term 4 - Happiness.

Write about something that always makes you laugh or something that made you laugh last week. What is it? Why did it make you laugh? When was the last time you laughed because of this? How does laughing make you feel?
