

Character Education

Children are born ready, able and eager to learn. They actively reach out to interact with other people and the world around them. Development is not an automatic process, however, it depends on each unique child having opportunities to interact in positive relationships and enabling environments. Together with my teachers I will be able to learn and explore the best way for me to learn. Watch me grow.

Understanding the World

I am learning to understand about different cultures and celebrations.

Understand the effect of the changing seasons on the natural world around them.

Being imaginative

In Music we are focusing on the structure of music and songs relating to stories and sounds. This really helps my imagination grow.

We will be learning Christmas songs ready to perform to you in our Christmas play.

Technology

In Computing I will be learning how to explore technology that can be used in our homes.

Physical Education

Fine Motor

I am learning to use a pencil and hold it effectively to form recognisable letters.

Gross Motor

During PE and planned learning time I am learning to travel with confidence and skill around, under, over and through balancing and climbing equipment.

Health & Self care

I am learning to show understanding of the need for safety when tackling new challenges, and consider and manage some risks.

Literacy

I am learning to use my phonic knowledge to start writing simple words.

I am using my phonic knowledge to develop my reading.

I am learning to blend letter sounds together to read simple words.

To re-read books to develop confidence in reading as well as fluency and understanding of the texts they read.

Communication & Language

Understand how to listen carefully and why listening is important- following simple instructions

To ask questions to find out more and to check they understand what has been said to them.

Term 2

Fantastic Festivals

Personal, Social, Emotional development

I am continuing to strengthen my skills in turn taking and respecting the rules of our classroom and our school.

I am learning to use talk to organise, sequence and clarify thinking, ideas, feelings and events.

Exploring media & materials

I am learning to represent my own ideas, thoughts and feelings through design and technology, art, music, dance, role-play and stories.

Maths

I am developing my knowledge of numbers to 10, linking the number symbol with its value.

I am learning to subitise (recognising quantities without having to count) up to 5.

I am learning to count and order number beyond 10.

Having these skills will make me grow as a mathematician. It is great fun sharing our learning with our teachers.
