

Character Education

Children are born ready, able and eager to learn. They actively reach out to interact with other people and the world around them. Development is not an automatic process, however, it depends on each unique child having opportunities to interact in positive relationships and enabling environments. Together with my teachers I will be able to learn and explore the best way for me to learn. Watch me grow.

Understanding the World

I am learning about different cultures and how they celebrate.
I am developing my skills to talk about special times in my life.

So many things to share and explore such fun!

Being imaginative

Create simple representations of events, people and objects.

Choose particular colours to use for a purpose

Technology

In computing I will be learning to use technology both inside and outside of school

Physical Education

I am learning to explore physical activities linked to topic, e.g.: painting, mark making, play dough, construction.
I am learning to keep my body safe, looking at road safety and being safe around fireworks. Also I am learning about the importance of hygiene. Whilst joining in many of our lovely cooking activities.

Literacy

I am learning to enjoy rhyming and starting to recognise rhythms in spoken words.
We love stories at Nursery so I am learning how to look after books, even starting to guess how a story might end.
I am learning to do many things to become a writer, draw, paint, chalk. I am learning to be proud of the marks I have made and share this with my peers and adults.
All these skills will strengthen the start of my independent reading and writing.

Maths

I am learning to use number names in my play.

I am learning to carefully count reliably to 5 and beyond.

I am learning to investigate shapes in our environment.

Having these skills will make me grow as a mathematician. It is great fun sharing our learning with our teachers.

Personal, Social, Emotional development

To talk about how we feel being at a new school.
Talk about Ourselves

Learn how to be safe and happy while at school by learning and following our Golden rules.

Exploring media & materials

I am learning to perform new songs and our new dance linked with our Nativity performance.

As our topic is festivals and celebrations we will be looking at art in others cultures.

Communication & Language

During our topic we will have the opportunity to share our own experiences, using talk to connect ideas, explain what is happening and anticipate what might happen next, recall and relive past experiences.
Also, I will have ample opportunity to talk about our time at home during the holidays.
These opportunities will help me to listen and respond to ideas expressed by others, taking turns in conversations.
